

D/OL

11 March 1983

MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director of Central Intelligence
FROM: Harry E. Fitzwater
Deputy Director for Administration
SUBJECT: Weekly Report for Period Ending 11 March 1983

1. Progress reports on tasks assigned by DCI/DDCI:

All action on tasks assigned by the DCI/DDCI has been completed.

2. Items/events of interest:

a. During the period, New Building activities included a presentation to senior Agency management on alternative construction concepts. A final concept was recommended and approved. Also, the Virginia Department of Highways and Transportation (VDH&T) has informed the Agency that, due to VDH&T personnel reductions, they will be unable to assume responsibility for proposed improvements to Route 123. The Agency will now assume this responsibility as part of the Headquarters expansion program.

25X1

d. Functional and acceptance testing of the CIA SAFE Early Capability System application software was begun on 7 March. A delegation from the Senate Select Committee on Intelligence toured the Northside Computer Center on 4 March. The Deputy Director for Administration and representatives from the Office of Data Processing accompanied the tour. No critical problems have been identified and SAFE Early Capability is on schedule.
